DE N9DON - KA9OOH is on vacation so I've taken the task of writing the newsletter, with the aid of NV9K. If you find mistakes, it's Mac's fault. Ha! Ha!

CROSS COUNTRY EQUESTRIAN - WA9RDF lined up 29 hams, gave them a jump site and the fun began. Thanks, Sandy, for the time and hard work. A special THANKS to the Columbus Hams K9SIO, K9RXK, KA9UYO, WD9CXJ, WB9CZH, KA9WCQ, KA9IOS, and WD9HJN and the Indianapolis Hams, WB9ZQE, W9GKE and WA9KZP.

MASONIC HOME SUMMERFEST - KA9ZPA did a wonderful job as co-ordinator and Project Net Control while N9AZD, N9DLN, WA9RDF, WB9UWL, W9PSD, W9LNX, WB9OZZ, WB9AYB, NV9K and myself played the game of parking lot shuffle.

FIELD DAY WEEK-END - June 25th and 26th - We've had the fun, June 5th; the games, June 12th; and now we are ready for the fun AND games. You "guys" bone up on your CW, keep your voice clear for phone, bring a dish of food, (preferably not baked beans) and be prepared to have fun.

THANK YOU Dan W9MLN for the well organized plans.

GET WELL WISHES to W9HJN.

CONGRATULATIONS to WA9ZPA! Joe and Karen have a new baby boy named Cory.

WELCOME - to the new members!

THANKS to all for financial and material donations for the new repeater shack. Antenna work and shack construction will occur throughout July and August.

LOOKING AHEAD . . July 9 and 10 . . . Indianapolis Hamfest
